#### REMARKS

Proposed drawings are submitted herewith. The proposed drawing of Fig. 1B has been added. This supports the subject matter of claim 7 (the panel is moved horizontally) and claim 5 (that there is a manually operated moving means). It is submitted that the subject matter of Fig. 1B was fully supported in the specification of the application as originally filed and the contents of Fig. 1B would be relatively apparent to a person of ordinary skill in the art of how to carry out the operation of a horizontally movable cover and a cover which can be moved manually. In addition, it is proposed to add subject matter to page 5, line 13 to insert a brief description of Fig. 1B.

In addition, in Fig. 1, the remote control unit (35) has been added to support the subject matter of claims 8,, 16 and 17. The reference numeral 35 has been used for the remote control unit.

Amendments are proposed to certain of the claims, e.g., 1, 4, 17, 18 and 19 to overcome the objections raised by the Examiner. Specifically the phrase "and the like" has been deleted (claims 1, 18 and 19); a proper antecedent basis has been supplied for the phrase "said cover" (claim 4); the preamble of claim 17 has been changed so
